F. DEBTOR'S COVENANTS

1. **Obligation and this Agreement.** Debtor shall promptly perform all of his agreements herein and in any promissory notes or other agreements between him and secured party.
2. **Ownership of Collateral.** At the time debtor pledges, sells, assigns, or transfers to secured party or grants secured party a security interest in any collateral, debtor shall be the absolute owner thereof and shall have the right to pledge, sell, assign or transfer the same. Debtor shall defend the collateral against all claims and demands of all persons at any time claiming the same or any interest therein adverse to secured party.
3. **Insurance.** Debtor shall insure the collateral with companies acceptable to secured party against such casualties and in such amounts as secured party shall require. All insurance policies shall be written for the benefit of debtor and secured party as their interests may appear, or in other form satisfactory to secured party, and such policies or certificates evidencing the same shall be furnished to secured party. All policies of insurance shall provide for written notice to secured party at least 10 days prior to cancellation. Risk of loss or damage is debtor's to the extent of any deficiency in any effective insurance coverage. Secured party is hereby appointed debtor's attorney-in-fact to indorse any draft or check payable to debtor in order to collect any return or unearned premiums or the proceeds of such insurance.
4. **Maintenance.** Debtor shall keep the collateral in good condition, and free from liens and other security interests (except liens for taxes not yet due), and shall not create or suffer to exist any lien or security interest in collateral hereafter acquired except for the security interest hereby granted.
5. **Secured Party's Costs.** Debtor shall pay all costs necessary to obtain, preserve, perfect, defend, and enforce this security interest, collect the obligation, and preserve, defend, enforce, and collect the collateral, including but not limited to taxes, assessments, insurance premiums, repairs, reasonable attorney's fees and legal expenses, feed, rent, storage costs and expenses of sales. Whether collateral is or is not in secured party's possession, and without any obligation to do so, secured party may, at its option, pay any such costs and expenses, discharge encumbrances on collateral, and pay for insurance of collateral. Debtor agrees to reimburse secured party on demand for any costs so incurred.
6. **Information and Inspection.** Debtor shall furnish secured party any financial statements or reports and any information with respect to collateral requested by secured party, allow secured party to inspect the collateral, at any time and wherever located, and allow secured party to inspect and copy, or furnish secured party with copies of, all records relating to the collateral and the obligation. Debtor shall furnish secured party such information as secured party may request to identify inventory, accounts receivable, and general intangibles in collateral, at the time and in the form requested by secured party. Debtor upon request shall deliver to secured party shipping and delivery receipts evidencing the shipment of goods and invoices evidencing the receipt of, and the payment for, inventory in collateral.
7. **Additional Documents.** Debtor shall sign any papers furnished by secured party which are necessary in the judgment of secured party to obtain, maintain and perfect the security interest hereunder and to enable secured party to comply with the Federal Assignment of Claims Act or any other federal or state law in order to obtain or perfect secured party's interest in collateral.
8. **Parties Liable on Collateral.** Debtor will preserve the liability of account debtors, obligors, and secondary parties to the obligations of others which are part of collateral. Secured party shall have no duty to preserve such liability, but it may do so.
9. **Modification of Accounts, etc.; Sale of Inventory.** Without the written consent of secured party, debtor shall not agree to any modification of any of the terms of any accounts, chattel paper or instruments in collateral, nor sell or otherwise dispose of inventory in collateral except in the ordinary course of business.
10. **Right of Secured Party to Notify Account and Contract Debtors.** Secured party shall have the right at any time, whether debtor is or is not in default hereunder, to notify persons obligated on any instruments, accounts, chattel paper, or contracts which are part of the collateral to make payments directly to secured party and secured party may take control of all proceeds of any collateral. Until such times as secured party elects to exercise such rights, debtor, as the agent of secured party, shall collect and enforce all such contracts, accounts, instruments and chattel paper.
11. **Delivery of Receipts to Secured Party; Rejected Goods.** Upon secured party's demand, debtor will deposit upon receipt all checks, drafts, cash or other remittances in payment of an instrument, or on account of accounts or contracts or received as proceeds of inventory in collateral or as proceeds of any other collateral in a special bank account in a bank of secured party's choice over which secured party alone shall have power of withdrawal. The funds in said account shall be held by secured party as security for the obligation. Said proceeds shall be deposited in the form received, except for the indorsement of debtor where necessary to permit collection of items, which indorsement debtor agrees to make, but which secured party is authorized to make on debtor's behalf. Pending such deposits, debtor agrees that it will not mingle any such checks, drafts, cash or other remittances with any of debtor's other funds or property, but will hold them separate and apart therefrom and upon an express trust for secured party until deposit thereof is made in the special account. Secured party may from time to time apply the whole or any part of the funds in the special account against the obligation. Any portion of said funds on deposit which secured party elects not to apply to the obligation may be paid by secured party to debtor.
 - Unless secured party notifies debtor in writing that it dispenses with any one or more of the following requirements, debtor will
 - a. Inform secured party immediately of the rejection of goods, delay in delivery or performance, or claim made, in regard to any account, chattel paper, or general intangible in collateral;
 - b. Keep returned goods segregated from debtor's other property, and hold such goods as trustee for secured party until it has paid secured party the amount loaned against the related account or chattel paper and deliver such goods on demand to secured party;
 - c. Pay secured party the unpaid amount of any account in collateral (i) if such account is not paid when due; (ii) if purchaser rejects the goods or services; or (iii) if secured party shall at any time reject the account as unsatisfactory. Secured party may retain any such account as security and may charge any deposit account of debtor with any such amounts.
12. **Records of Collateral.** Debtor will at all times maintain accurate books and records covering the collateral. Immediately upon the execution of this agreement, debtor will mark all books and records with an entry showing the absolute assignment of all accounts in col-

lateral to secured party and secured party is hereby given the right to audit the books and records of debtor relating to collateral at any time and from time to time. The amounts shown as to each account on debtor's books and on the assignment schedule, if any, will be the true and undisputed amount owing and unpaid thereon, and no agreements for modification, deduction, discount or partial payment shall have been made with respect to any account, instrument or chattel paper, except as revealed to secured party in writing.

13. **Disposition of Collateral.** At any time the disposition of any collateral gives rise to an account, chattel paper or instrument, debtor shall immediately notify secured party, and upon request of secured party shall assign or indorse the same to secured party. No collateral may be disposed of by debtor in any manner without the prior written consent of secured party, except inventory sold in the ordinary course of business.

14. **Accounts.** Each account in collateral will represent the valid and legally enforceable obligation of third parties, and shall not be evidenced by any instrument or chattel paper. No obligation of any third party in collateral shall be subject to setoff, counterclaim, adjustment, or defenses.

15. **Location of Accounts and Inventory.** Debtor shall give secured party written notice of each office of debtor in which records of debtor pertaining to accounts in collateral are kept, and each location at which inventory in collateral is or will be kept, and of any change of any office or location. Except as such notice is given, all records of debtor pertaining to accounts are and shall be kept in the location shown at the beginning hereof, and all inventory is and shall be kept at debtor's address shown above.

16. **Notice of Changes.** Debtor will notify secured party immediately of any material change occurring in or to the collateral, of a change in debtor's residence or location, or a change in any fact or circumstance warranted or represented by debtor in this agreement or furnished to secured party, and of any event of default.

17. **Use and Removal of Collateral.** Debtor will not use the collateral illegally or encumber the same and will not permit the collateral to be affixed to real or personal property without the prior written consent of secured party. Debtor will not permit any of the collateral to be removed from the locations specified herein without the written consent of the secured party. Debtor will not sell, lease, otherwise transfer, manufacture, process or assemble the collateral, or furnish the same under contracts of service, except in connection with consumption, sale or lease of inventory in the ordinary course of business.

18. **Possession of Collateral.** If the collateral is chattel paper, documents, or investment securities or other instruments, debtor agrees that secured party may deliver a copy of this agreement to the broker or other seller thereof or any other person in possession thereof and that such delivery shall constitute notice to such person of secured party's security interest therein and shall constitute debtor's express instruction to such person to deliver to secured party certificates or other evidence of the same as soon as available. Debtor will deliver all instruments, securities, documents and chattel paper which are part of the collateral and in debtor's possession to the secured party immediately, or, if hereafter acquired, immediately following acquisition, appropriately indorsed to secured party's order, or with appropriate powers, and regardless of the form of any indorsement on any such collateral, debtor hereby waives presentment, demand, notice of dishonor, protest, and notice of protest and all other notices with respect thereto.

19. **Chattel Paper.** Debtor has perfected or will perfect a security interest, using a method satisfactory to the secured party, in goods covered by chattel paper in collateral.

20. **Consumer Credit.** Whenever any collateral, or proceeds of any collateral, includes obligations of third parties to debtor such as accounts, chattel paper or instruments, the transactions giving rise to the collateral shall conform in all respects to the applicable requirements of any state or federal consumer credit law, and debtor shall hold secured party harmless and indemnify secured party against any cost, loss or expense of secured party, including attorney's fees, arising from debtor's breach of this covenant.

21. **Change of Name.** Without the written consent of secured party, debtor shall not change his name.

22. **Power of Attorney.** Debtor appoints secured party debtor's attorney in fact with full power in debtor's name and behalf to do every act which debtor is obligated to do hereunder; however, nothing in this paragraph shall be construed to obligate secured party to take any action hereunder.

G. RIGHTS AND POWERS OF SECURED PARTY

1. **General.** Secured party may in its discretion before or after default: without liability to debtor, obtain from any person information regarding debtor or debtor's business, which information any such person also may furnish without liability to debtor; require debtor to give possession or control of any collateral to secured party; indorse as debtor's agent any instruments, documents or chattel paper in collateral or representing proceeds of collateral; contact account debtors directly to verify information furnished by debtor; take control of proceeds, including stock received as dividends or by reason of stock splits; release collateral in its possession to any debtor, temporarily or otherwise; require additional collateral; reject as unsatisfactory any property hereafter offered by debtor as collateral; set standards from time to time to govern what may be used as after acquired collateral; designate, from time to time, a certain percent of the collateral as the loan value and require debtor to maintain the obligation at or below such figure; take control of funds generated by the collateral, such as cash dividends, interest and proceeds or refunds from insurance, and use same to reduce any part of the obligation and exercise all other rights which an owner of such collateral may exercise; at any time transfer any of the collateral or evidence thereof into its own name or that of its nominee; demand, collect, convert, redeem, receipt for, settle, compromise, adjust, sue for, foreclose or realize upon collateral, in its own name or in the name of debtor, as secured party may determine. Secured party shall not be liable for failure to collect any account or instrument, or for any act or omission on the part of the secured party, its officers, agents, or employees, except willful misconduct. The foregoing rights and powers of secured party will be in addition to, and not a limitation upon, any rights and powers of secured party given by law, elsewhere in this agreement, or otherwise.

2. **Convertible Securities.** Secured party may present for conversion any instrument (including any investment security) in collateral which is convertible into any other instrument or investment security or a combination thereof with cash. But secured party shall not have any duty to present for conversion any instrument in collateral unless it shall have received from debtor written instructions to that effect at a time reasonably far in advance of the final conversion date to make such conversion possible.

H. DEFAULT

1. **Events of Default.** The following are events of default hereunder:

- a. Default in the timely payment or performance of any obligation, covenant or liability contained herein or secured hereby;
- b. Any warranty, representation or statement made or furnished to secured party by or in behalf of debtor proves to have been false in any material respect when made or furnished;
- c. Acceleration of the maturity of debt of debtor to any other person;
- d. Substantial change in any fact warranted or represented in this agreement;
- e. Sale, loss, theft, destruction, encumbrance or transfer of any collateral in violation hereof, or substantial damage to any collateral;
- f. Belief by secured party that the prospect of payment of the obligation or performance of this agreement is impaired;
- g. Death, incapacity, dissolution, merger or consolidation, termination of existence, or business failure of debtor or any other person liable on the obligation; appointment of a receiver for any part of the collateral; commission of an act of bankruptcy by debtor; assignment for the benefit of creditors or the commencement of any proceeding under any bankruptcy or insolvency law by or against debtor or any partnership of which debtor is a partner or by or against any maker, drawer, acceptor, indorser, guarantor, surety, accommodation party or other person liable upon the obligation or any part thereof, or upon collateral;
- h. Levy on, seizure or attachment of the collateral, or any part thereof;
- i. A judgment against debtor becomes final; or
- j. Filing of any financing statement with regard to the collateral, other than relating to this security interest; or attachment of any lien or security interest, except a lien for current ad valorem taxes not yet due and the security interest hereunder, to any portion of the collateral.

2. **Remedies of Secured Party upon Default.** When an event of default occurs, and at any time thereafter, secured party may declare the obligation in whole or in part immediately due and payable and may proceed to enforce payment of the same and to exercise any and all of the rights and remedies provided by the UCC as well as all other rights and remedies of secured party under this agreement or otherwise. Secured party may require debtor to assemble the collateral and make it available to secured party at any place to be designated by secured party which is reasonably convenient to both parties. Unless the collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, secured party will give debtor reasonable notice of the time and place of any public sale thereof or of the time after which any private sale or any other intended disposition thereof is to be made. Expenses of retaking, holding, preparing for sale, selling, leasing or the like shall include secured party's reasonable attorney's fees and legal expenses. Secured party shall be entitled to immediate possession of all books and records evidencing any accounts or pertaining to chattel paper covered by this agreement and shall have authority to enter upon any premises upon which the same may be situated and remove the same therefrom. Debtor shall be entitled to any surplus and shall be liable to secured party for any deficiency arising from accounts or chattel paper included in the collateral through sale thereof to secured party. If secured party disposes of the collateral following default, the proceeds of such disposition available to satisfy the obligation shall be applied by secured party to the obligation in such order and in such manner as secured party in its discretion shall decide. If, in the opinion of secured party, there is any question that a public or semipublic sale or distribution of any collateral will violate any state or federal securities law, secured party in its discretion (a) may offer and sell securities privately to purchasers who will agree to take them for investment purposes and not with a view to distribution and who will agree to imposition of restrictive legends on the certificates representing the security, or (b) may sell such securities in an intrastate offering under Section 3(a)(11) of the Securities Act of 1933, and no sale so made in good faith by secured party shall be deemed to be not "commercially reasonable" because so made.

I. GENERAL

1. **Assignment of Collateral by Secured Party.** Secured party may assign all or any part of the obligation, and may assign, transfer or deliver to any transferee of any of the obligation any or all of the collateral, and thereafter shall be fully discharged from all responsibility with respect to the collateral so assigned, transferred or delivered. Such transferee shall be vested with all the powers and rights of secured party hereunder with respect to such collateral, but secured party shall retain all rights and powers hereby given with respect to any of the collateral not so assigned or transferred.

2. **Waiver.** No delay on the part of secured party in exercising any power or right shall operate as a waiver thereof; nor shall any single or partial exercise of any power or right preclude other or further exercise thereof or the exercise of any other power or right. No waiver by secured party of any right hereunder or of any default by debtor shall be binding upon secured party unless in writing, and no failure by secured party to exercise any right hereunder or waiver of any default of debtor shall operate as a waiver of any other or further exercise of such right or of any further default.

3. **Parties Bound.** The rights of secured party hereunder shall inure to the benefit of its successors and assigns. The terms of this agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties. All representations, warranties and agreements of debtor are joint and several if debtor is more than one and shall bind debtor's personal representatives, heirs, successors and assigns.

4. **Agreement Continuing.** This agreement shall constitute a continuing agreement, applying to all future as well as existing transactions, whether or not of the character contemplated at the date of this agreement, and if all transactions between secured party and debtor shall be at any time closed, shall be equally applicable to any new transactions thereafter.

5. **Definitions.** Unless the context indicates otherwise, definitions in the UCC apply to words and phrases in this agreement; if UCC definitions conflict, Chapter 9 definitions apply.

6. **Notice.** Notice shall be deemed reasonable if mailed postage prepaid at least 5 days before the related action (or if the UCC elsewhere specifies a longer period, such longer period) to debtor's address given above.

7. **Expenses.** Debtor agrees to reimburse secured party's out-of-pocket expenses, including attorney's fees, incurred in negotiating, administering and enforcing any part of the obligation, and in preparation, execution, delivery and recording of any documents in connection with any part of the obligation, when not contrary to law.

8. **Interest.** No agreement relating to the obligation shall be construed to require the payment of interest or permit the collection of interest at a rate or in an amount above that authorized by law. Interest payable under any such agreement above that authorized by law shall be reduced to the highest amount permitted by law. This provision shall override all other provisions of all agreements relating to the obligation.

9. **Modifications.** No provision hereof shall be modified or limited except by a written agreement expressly referring hereto and to the provision so modified or limited and signed by the debtor and secured party, nor by course of conduct, usage or trade, or by the law merchant.

10. **Severability.** The unenforceability of any provision of this agreement shall not affect the enforceability or validity of any other provision hereof.

11. **Gender and Number.** Where appropriate, the use of one gender shall be construed to include the others or any of them; and the singular number shall be construed to include the plural, and vice versa.

12. **Applicable Law.** This agreement shall be construed according to the laws of Texas.

13. **Venue.** This agreement is performable by debtor in Dallas County, Texas, and debtor waives the right to be sued elsewhere.

14. **Financing Statement.** A carbon, photographic, or other reproduction of this security agreement or any financing statement covering the collateral shall be sufficient as a financing statement.

J. WAIVERS BY DEBTOR

DEBTOR FULLY UNDERSTANDS THAT HE MIGHT ASSERT RIGHTS UNDER THE CONSTITUTION OF THE UNITED STATES OF AMERICA TO A HEARING BEFORE A COURT BEFORE SEIZURE OF COLLATERAL PURSUANT TO THIS AGREEMENT. DEBTOR NEVERTHELESS VOLUNTARILY WAIVES ANY SUCH CONSTITUTIONAL RIGHTS TO NOTICE AND HEARING BEFORE REPOSSESSION BY SECURED PARTY AND CONFIRMS HIS AGREEMENT HEREIN PERMITTING PEACEFUL REPOSSESSION OF COLLATERAL BY SECURED PARTY. DEBTOR FURTHER AGREES THAT ANY COURT OR THE CLERK THEREOF SHALL BE AUTHORIZED WITHOUT NOTICE TO HIM AND BEFORE JUDGMENT TO ISSUE ANY WRIT OF SEQUESTRATION, ATTACHMENT, GARNISHMENT OR OTHER APPROPRIATE PROCESS FOR THE SEIZURE OF COLLATERAL UPON THE PLEADING OF SECURED PARTY THAT IT IS ENTITLED TO SUCH POSSESSION AND UPON THE GIVING OF BOND AS REQUIRED BY LAW.
